OPPOSING THE GOLDEN GATE NATIONAL RECREATION AREA'S PROPOSAL TO MOOR THE DELTA KING AT AQUATIC PARK AS A TIME-SHARE RESIDENTIAL AND CONDOMINIUM PROJECT

WHEREAS, A private developer has proposed that the river boat DELTA KING be moored at Aquatic Park, and utilized as a time-share residential condominium development; and

WHEREAS, Newspaper accounts have indicated that the proposal has been favorably endorsed by the staff of the Golden Gate National Recreation Area; and

WHEREAS, Such a project would take away geographic setting that is essential to the natural beauty of San Francisco, would interrupt the delicate ecological balance of fish, sea life and plants, and would be anchored in the path of the many residents who use the park for swimming, boating and wind surfing; and

WHEREAS, This proposed condominium development would introduce a commercial strain and the ensuing noise and traffic to an area that is used primarily for recreational purposes, would contribute to the air, noise, water and traffic pollution, and would not enhance the quality of life in San Francisco and would introduce private ownership of living quarters into an urban park, especially where there is obviously no such need, and would allow private individuals to have the privilege of a national park as their personal resort; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby register its strong disapproval of the proposal to moor the river boat DELTA KING at Aquatic Park for use as a time-share residential condominium development; and, be it

FURTHER RESOLVED, That this Board of Supervisors does hereby call upon and urge the Golden Gate National Recreation Area to withhold any favorable recommendation or endorsement of the above described proposal.

WHEREAS, those recommendations were based on a proposed Municipal Railway operating budget of $145.2 million for 1981-82; and

RESOLUTION OPPOSING PROPOSITION 8, THE VICTIM'S BILL OF RIGHTS

WHEREAS, the Board of Supervisors of the City and County of San Francisco is deeply concerned about the spread of crime and the victims of crime; and

WHEREAS, the Board of Supervisors of the City and County of San Francisco is deeply concerned with the real effect the Victims' Bill of Rights could have; and

WHEREAS, the Victims' Bill of Rights will hamper criminal prosecutions by limiting prosecutors' ability to get needed accomplice testimony, throwing out settled rules of evidence, and creating many new avenues of appeal for convicted criminals; and

WHEREAS, the Victims' Bill of Rights will frustrate victims of crime by allowing defense attorneys to put the victim on trial(opening, in almost all cases, the victim's past life to endless cross-examination) and by promising victims a new right to restitution (apart from civil suit) which cannot be enforced if the offender has no money; and

WHEREAS, the Victims' Bill of Rights may impose nearly three-quarters of a billion dollars a year in new uncompensated costs on local government, mainly for more probation officers, longer court hearings, and expansion of jail facilities; and

WHEREAS, the Victims' Bill of Rights will consume all of the money from the proposed prison bond (Proposition 1 on the June ballot). If both measures pass, prisons will become even more overcrowed despite the expenditure of over $1 Billion to finance the bond; and

WHEREAS, the Victims' Bill of Rights will increase court backlog by adding restitution hearings (possibly before a jury) in most criminal cases and mandatory special sentencing hearings in misdemeanor cases. More judges will also be needed to preside over bail hearings in every case as bail schedules may be unconstitutional under the

WHEREAS the Victims' Bill of Rights will swamp appellate courts with protracted appeals over the meaning of Proposition 8. The courts will have to resolve the many ambiguities and contradictions of the measure and fashion new and diminished capacity defenses, bail, criminal sentencing, juvenile hearings, and the enforcement of constitutional rights; and

WHEREAS the Victims' Bill of Rights will allow the use of wire-tap, polygraph, and other questionalble evidence in court despite legislative and judicial declarations to the contrary; and

WHEREAS, the Victims' Bill of Rights will give the courts unprecedented authority over public schools by empowering them to do whatever is necessary to assure 'peaceful' campuses; now, therefore, be it

RESOLUTION OPPOSING SB1766 WHICH WOULD ELIMINATE THE JURISDICTION OF THE SAN FRANCISCO BAY CONSERVATION AND DEVELOPMENT COMMISSION FROM A SUBSTANTIAL AREA OF SUBMERGED AND TIDAL WETLANDS IN AND ALONG WHITE SLOUGH, A TRIBUTARY OF THE NAPA RIVER, AND ELIMINATES LOCAL GOVERNMENTAL JURISDICTION IN THE SUISUN MARSH AREA.

WHEREAS, The City of Vallejo has not yet completed a study to identify the values of and competing demands for the White Slough area, thereby making SB1766 premature with regard to the appropriate future uses; and

WHEREAS, There is no recognition of the special problems of development that this area might bring with regard to the costs for reclaiming the land range, rebuilding the levee, providing the maintenance, seismic and flooding hazards, and provision for a drainage system; and

WHEREAS, White Slough is an important wildlife area highly used as a waterfowl habitat, important to many kinds of shorebirds and migratory waterfowl as a feeding and loafing area and as a refuge during stormy weather; and

WHEREAS, Diking and development of this area may increase dredging and disposal costs at the Mare Island Naval Shipyard, the Vallejo Marina, and the recently constructed Peter Kiewit fabrication yard; and

WHEREAS, SB1766 would foreclose the court's decision in litigation that challanges the jurisdiction of the San Francisco Bay Conservation and Development Commission in this area; and

WHEREAS, SB1766 would also delete the present requirement in the Suisun Marsh Preservation Act of 1977 that local governments with jurisdiction in the Marsh prepare ordinances to protect creeks and watercourses leading into the Marsh, and it is generally agreed that there continues to be a need to assure that waterways leading to Suisun Marsh are protected; now, therefore be it

RESOLVED, That the Board of Supervisors urges continued jurisdiction of the San Francisco Bay Conservation and Development Commission in the White Slough area; and be it

FURTHER RESOLVED, That copies of this resolution be forwarded to her Honor, the Mayor, for transmittal to the State Legislative Advocate for presentation by the latter to the members of the San Francisco delegation in the State Legislature with the request that all necessary action be taken to ensure opposition to enactment of the above described legislation.

OPPOSING PROPOSED HEALTH AND HUMAN SERVICES DEPARTMENT PROPOSALS TO RESTRICT THE AVAILABILITY OF SERVICES AT FAMILY PLANNING CLINICS

WHEREAS, On February 22, 1982 the Department of Health and Human Services proposed regulations that would require family planning clinics to notify parents of teenagers when contraceptive services are provided; and

WHEREAS, The regulations would contradict the intent of Congress which was to encourage family participation to the extent practical but not to mandate it; and

WHEREAS, The United States Congress, the Department of Health and Human Services, the States and theCOurts have repeatedly r-jected requirements for parental consent or notification for minors seeking reproductive health services; and

WHEREAS, While appearing to bow to state laws concerning parental consent/notification, the regulations would, in fact, only permit states to implement laws that are more restrictive than the federal standard while pre-empting more progressive state laws; and

WHEREAS, These regulations would do little to foster constructive communication between parents and teenagers, rather than attempting to involve parents in the decision-making process about the contraceptive method to be selected; and

WHEREAS, Studies show that approximately 25% of teenagers would be deterred from coming to family planning clinics if their parents were notified, thereby increasing their chances of experiencing an unintended pregnancy; now, therefore, be it

RESOLVED, That this Board of Supervisors of the City and County of San Francisco does oppose the opposed regulations; and be it

[State Legislation]

RECOMMENDING ENACTMENT OF SB 358, RELATING TO PUBLIC LIBRARIES IF IT IS AMENDED BY STRIKING PARAGRAPH 18025(d).

WHEREAS, The burden of supporting public libraries has historically fallen disproportionately on local property taxes; and

WHEREAS, SB 358 would create a Public Library Fund and establish a method for computing state aid to each public library commencing with the 1981-82 fiscal year; and would require that services included in the foundation program of a public library and supported in part by state funds be free to all residents and taxpayers of the state; and

WHEREAS, The San Francisco Public Library has, for many years, served as a valuable resource to the Bay Area, to Northern California, and to the entire state; and

WHEPEAS, Proposition 13 has greatly reduced ad valorem revenues to services of the San Francisco Public Library; and

WHEREAS, This Board of Supervisors endorses the concept of securing a greater proportion of library revenues from state sources; and

WHEREAS, Acceptance of such funding from state sources would not dilminish or dilute the responsibility and authority of the San Francisco Public Library to establish priorities and policies based upon the needs and interests of the users of the library; and

WHEREAS, The proposed legislation requires a maintenance of the level of local revenue support for the library in order to receive the proposed funds with any reductions from the local funding level eliminating the proposed state library funds; and

BOARD OF SUPERVISORS

WHEREAS, This provision is overly restrictive, particularly since San Francisco currently appropriates 11% more than the bill's $12 per capita standard; now, therefore, be it

RESOLVED, That this Board of Supervisors of the City and County of San Francisco does hereby recommend the enactment of SB 358 relating to public libraries if it is amended by striking paragraph 18025(d) which conditions the eligibility for state library funds on the provision that local library support is not reduced; and, be it

WHEREAS, Under existing law a violation of the provisions of the McAteer-Petris Act, the Bay Conservation and Development Commission law, or a permit issued thereunder may lead to a criminal misdemeanor prosecution which is unsatisfactory because criminal prosecution is too drastic for many of the relatively minor infractions, the cost of enforcement fall unfairly upon local government and, since to date, no prosecutions have been brought the provision is not an effective deterrent; and

WHEREAS, 60 percent of the major permits Bay Conservation and Development Commission has issued since 1965 involve violations, an unnecessarily large number, requiring considerable expenditures of public funds for enforcement actions; and

WHEREAS, on February 19, 1942, President Franklin D. Roosevelt issued Executive Order 9066, which resulted in the uprooting and imprisonment of all persons of Japanese ancestry on the Pacific Coast; and,

WHEREAS, in the spring of 1942, 120,313 persons of Japanese ancestry, most of whom were American citizens, were forcibly evicted from their West Coast homes and incarcerated in government detention camps without benefit of trial or hearing; and,

WHEREAS, in addition to the $400 million in property losses estimated by Federal Reserve Bank of San Francisco in 1942, there were other immeasurable damages suffered such as the loss of individual freedom, the destruction of personal human dignity, the loss of income, the disruption of careers, and the psychological trauma of having been innocent victims imprisoned for three and a half years; and,

WHEREAS, the U.S. Supreme Court ruled in four separate test cases that such governmental action is constitutional and thereby established as precedent of law the right of government to remove and detain a group of people solely on the basis of ancestry; and,

WHEREAS, in 1970 the Japanese American Citizens League (JACL) embarked on a national campaign to seek remedial legislation for those affected by Executive Order 9066 and subsequent military orders; and,

WHEREAS, on July 31, 1980, through the efforts of the JACL President Jimmy Carter signed Public Law 96-317 establishing the Commission on Wartime Relocation and Internment of Civilians to conduct the first official inquiry into the 1942 evacuation and incarceration of Americans of Japanese ancestry; and,

WHEREAS, the Commission on Wartime Relocation and Internment of Civilians will be completing its investigation and submitting its findings and recommendations to the United States Congress in 1982; therefore be it

RESOLVED, that the Board of Supervisors, City and County of San Francisco, in support of the JACL's efforts to seek redress for the 1942 internment of American citizens of Japanese ancestry and legal resident aliens, urges the Congress of the United States to provide adequate monetary compensation to those individuals who suffered the injustices and hardships resulting from the government's actions in 1942; and be it further

RESOLVED, that the Board of Supervisors, City and County of San Francisco, goes on record acknowledging that such past injustice committed against innocent persons by our government must be rectified as recognition of the moral and democratic principles which have made this great nation of ours the leader of humanitarian ideals.

WHEREAS, The huge cost of this buildup will increase the inflation rate, provide fewer jobs that similar investments in the non-military sector, and force further cutbacks in basic services; and,

"The people of the State of California, recognizing that the safety and security of the United States must be paramount in the concerns of the American people; and further recognizing that our national security is reduced, not increased, by the growing danger of nuclear war between the United States and the Soviet Union which would result in millions of deaths of people in California and throughout the nation; do hereby urge that the Government of the United States propose to the Government of the Soviet Union that both countries agree to immediately halt the testing, production and further deployment of all nuclear weapons, missles and delivery systems in a way that can be checked and verified by both sides;" and,

WHEREAS, The Freeze proposal has already gained broad public support, including passage by a wide majority of the Massachusetts and Oregon Senates and by the unamious vote of the New York State Senate; now, therefore, be it

ADOPTING THE BOOKLET PREPARED BY SAN FRANCISCANS FOR NUCLEAR WEAPONS EDUCATION, AND REQUESTING HER HONOR, THE MAYOR, TO INCLUDE UP TO $30,000. IN THE BUDGET OF THE MAYOR'S OFFICE OF EMERGENCY SERVICES FOR THE PRINTING AND DISTRIBUTION OF THIS BOOKLET TO ALL SAN FRANCISCANS.

WHEREAS, It is the duty of elected officials at all levels of government to inform the people of any imminent danger and to take steps to prevent harm from occuring; and,

WHEREAS, The Mayor and the Board of Supervisors have formally adopted a Resolution (No. 527-81) calling for a "suspension of nuclear weapons production, while seeking a permanent, international weapons ban"; and,

WHEREAS, Most informed scientific and political experts agree that few, if any, people in San Francisco would survive a nuclear attack and that the only way to provide for survival is to prevent such an attack; and,

WHEREAS, The President has called for, not only increasing military spending at the expense of human services, the expenditure of millions of dollars to reactivate the archiac civil defense systems to prepare for a nuclear war and incident; and,

WHEREAS, Most authorities express doubts that there can be a "limited nuclear war"; and,

WHEREAS, Information received from the Mayor's Office of Emergency Services in a letter dated December 10, 1981 reveals that there is no adequate or realistic planning for a nuclear weapons disaster, and that none may be possible. The letter states in part,

> "The City previously prepared a war contingency plan that focused, essentially, on the nuclear war environment. This plan is directed to the organization of local government and the period prior to a potential weapons exchange. The concept, under this plan, relies upon sheltering the City's population in designated fallout shelters. These shelters, in the main, are not blast proof; therefore, a mode of positive protection in the event of an exchange is not available at this time. The availability and use of these shelters rely upon the recognition of previously signed shelter use licenses and cooperation of the private sector parties who signed the license agreements."
>
> "Federal studies have concluded that construction of blast proof shelters would be in the millions of dollar category. Because of this fact, higher level government has directed counties, or equilivant jurisdictions nationwide, to prepare plans for general evacuation of risk areas. The San Francisco Bay Area has been designated as a risk area, and the residents of San Francisco have been assigned to evacuate to the North Coast Counties of Sonoma, Mendocino, Lake, Humbolt and Del Norte. The planning effort to accomplish this movement is currently being developed in concert with the Federal Emergency Management Agency, State Office of Emergency Services and the noted counties"; and,

WHEREAS, The people of San Francisco must be intelligently informed of the effect of the detonation of a nuclear bomb on San Francisco and the Bay Area in order to communicate with leaders in Washington and Sacramento that our survival depends on world nuclear disarmament -- to add their voices to this most significant of issues; and,

WHEREAS, San Franciscans for Nuclear Weapons Education has prepared a booklet that factually describes what would happen to San Franciscans if a nuclear bomb were detonated on San Francisco, and has estimated the costs of printing and mailing the booklet to be $30,000.; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby adopt the booklet prepared by San Franciscans for Nuclear Weapons Education; and, be it

FURTHER RESOLVED, That the Board of Supervisors request that her Her Honor, the Mayor, include up to $30,000. in the budget of the Mayor's Office of Emergency Services for the printing and distribution of this booklet to all San Franciscans; and, be it

WHEREAS, The State Legislature is considering significant cutbacks in the Medi-Cal and other health programs to meet the revenue shortfalls in the FY 1982-83 State Budget; and,

WHEREAS, Cutbacks of the magniture proposed will effectively eliminate preventive care, reduce outpatient services, and increase the acute care burden and its concomitant cost in terms of human suffering; and,

WHEREAS, Measures under consideration would reduce revenues for care rendered to Medi-Cal patients, reduce eligibility and increase out-of-pocket expenditures for covered individuaals--thereby increasing the County's Sec. 17000 obligation, and would make the County responsible for "Medically Indigent Adults" at a significantly reduced funding level; and,

WHEREAS, As a major provider of Medi-Cal services and as "provider of last resort", the San Franicsco Department of Public Health will be disproportionately impacted by these cutbacks which will jeopardize the fiscal integrity of the County health system; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco oppose Medi-Cal reductions which unduly shift costs to counties and fail to recognize the compounding effect of reduction proposals on San Francisco as a major provider of services to indigent persons; and, be it

FURTHER RESOLVED, That necessary reductions must be implemented in a manner which protects San Francisco and other major indigent providers from fiscal insolvency by exemption of County facilities from reimbursement reductions, provision of adequate funding for the care of the Medically Indigent Adults, and compensation for eligibility reductions through augmentation to the AB 8 County Health Services Fund; and, be it

FURTHER RESOLVED, That copies of this resolution be furnished to her Honor, the Mayor, for transmission to the State Legislative Advocate for presentation by the latter to the members of the San Francisco delegation in the State Legislature.

(Federal Legislation)

URGING SEPARATION OF THE SOCIAL SECURITY BUDGET SYSTEM FROM THE GENERAL FEDERAL BUDGET

WHEREAS, A mounting body of evidence indicates the need for a thorough examination of the fiscal mangement of the Social Security Funds; and

WHEREAS, Senator Proxmire of Wisconsin states that in 1980 alone, at least 2 billion dollars was lost to the Social Security Funds because the United States Treasury was allowed to borrow 47 billion dollars from them at an average rate of interest of 8%, far below the prevailing rates on other government obligations; and

WHEREAS, This 2 billion dollar loss is 60% of the alleged "deficit" of 3.3 billion dollars in Social Security Funds for 1980 alone, and similar losses in other years total billions of dollars; and

WHEREAS, This policy of loaning Social Security Funds to the United States Treasury at shockingly low interest rates appears to reflect a conflict of interest for Social Security trustees (who include the Secretary of the Treasury); and

WHEREAS, This entire situation has been masked since 1969, when the Social Security budget was combined with the general federal budget; and

WHEREAS, It is politically and fiscally impossible to determine a solution to the problems of the Social Security Sustem without dealing with this crucial issue; and

WHEREAS, Mindful that the causes of the Social Security problems are not partisan in their origin and development, and concerned only with finding a truly nonpartisan solution to those problems--one that will guarantee a durable compact between every American and our government through all the years of their lives; now therefore be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby calls on Congress and the President to: 1) Separate the Social Security budget from the general budget, and establish and independent, non-partisan Social Security administration that will be responsible for investing Social Security funds at the highest rates consistent with their security, and 2) Make restitution to the Social Security System from general funds for the cumulative losses to the system from past fiscal management policies, and 3) Determine, after these measures are taken, whether or not any fiscal problems remain within the Social Security System, requiring further proposals to insure its lont term viability, and 4) Unconditionally restore all cuts made in Social Security benefits and payments, pending the above measures; and,be it

FURTHER RESOLVED, That we endorse Senate Bill S 1528 (Proxmire) and House Bill HR 3847 (Pepper) as serious proposals to accomplish the above aims; and,be it

FURTHER RESOLVED, That copies of this resolution be forwarded to President Reagan, Senator Proxmire, and Representative Pepper.

URGING THE MAYOR TO URGE THE SAN FRANCISCO WATER DEPARTMENT TO ADOPT THE PROVISIONS OF THE SAN MATEO ENVIRONMENTAL HEALTH CODE RELATING TO THE WATER SUPPLY AND CROSS CONNECTIONS AS APPLICABLE TO SAFEGUARD THE PURITY OF THE WATER SUPPLY OF THE CITY AND COUNTY OF SAN FRANCISCO.

WHEREAS, The Department of Health Services for the State of California has, by letter dated May 27, 1982, warned the City and County of San Francisco that unless San Francisco has an adequate cross connection control program implemented within 30 days, the State will refuse to recommend to the Environmental Protection Agency an "approved" classification of San Francisco's water supply; and

WHEREAS, It is desirable and in the interest of public health to prohibit the maintenance of cross connections between two otherwise separate piping systems, one of which contains potable water and the other of unknown or questionable safety, whereby water may flow from one system to the other, the direction of the flow depending on the pressure differential between the two systems; now, therefore be it

FILE NO. 49-82-1 RESOLUTION NO. 396-82

APPROVING SETTLEMENT OF CLAIM OF CITY AND COUNTY OF SAN FRANCISCO AGAINST HOUSING AUTHORITY OF CITY AND COUNTY OF SAN FRANCISCO FOR UNPAID PAYMENTS IN LIEU OF TAXES BY ACCEPTANCE OF $204,105 AND URGING THE CONTROLLER TO NOTIFY THE MAYOR AND THE BOARD OF SUPERVISORS IF FUTURE PAYMENTS IN LIEU OF TAXES ARE NOT MADE.

WHEREAS, The City and County of San Francisco (hereinafter called "City") and the Housing Authority of the City and County of San Francisco (hereinafter called "Housing Authority") have heretofore entered into various Cooperation Agreements providing for local cooperation in connection with low rent housing projects developed, constructed, acquired and operated by the Housing Authority within the corporate limits of City pursuant to the provisions of law; and

WHEREAS, Among other matters set forth in said Cooperation Agreements, Housing Authority agreed to make annual payments (herein called "Payments in Lieu of Taxes") to City in lieu of certain real and personal property taxes and special assessments upon certain projects of Housing Authority and upon the Housing Authority and in payment for the public services and facilities furnished by City to Housing Authority; and

WHEREAS, Said Cooperation Agreements provide that each annual Payment in Lieu of Taxes to be made by Housing Authority to City shall be in an amount to be determined as prescribed by said Cooperation Agreements; and

WHEREAS, City contends that Housing Authority is delinquent with respect to Payments in Lieu of Taxes due and owing to City pursuant to said Cooperation Agreements and that, as of September 30, 1981, the amount owed and unpaid was the sum of $2,242,899; and

WHEREAS, Housing Authority admits and agrees that it is delinquent with respect to said Payments in Lieu of Taxes but denies that the amount owing and unpaid is $2,242,899 and, in this regard, contends that, although Housing Authority is uncertain as to the exact or approximate amount that is owing and unpaid to City, the amount of Payments in Lieu of Taxes owing and unpaid is substantially less than $2,242,899 by reason of the failure of City to furnish to Housing Authority and its tenants public services and facilities of the same character and to the same extent as are furnished from time to time without cost or charge to other dwellings and inhabitants within the corporate limits of City, as required by said Cooperation Agreements; and

WHEREAS, Housing Authority does not have the present financial ability to pay any sum in excess of $204,105 on account of said delinquent Payments in Lieu of Taxes and there is no reasonable prospect that the Housing Authority will have in the foreseeable future the financial ability to pay any amount additional to said sum of $204,105 on account of said delinquent payments; and

WHEREAS, City is considering instituting legal action to recover the amount of Payments in Lieu of Taxes that it contends are past due and delinquent; and

WHEREAS, Housing Authority desires to resolve the controversy between itself and City with respect to delinquent Payments in Lieu of Taxes without litigation and has proposed that City and Housing Authority enter into an agreement for said purpose; and

WHEREAS, City and Housing Authority now propose to enter into an agreement whereunder Housing Authority will pay forthwith the sum of $204,105 to City in settlement of said controversy and will forthwith institute and maintain policies and procedures to

assure that all Payments in Lieu of Taxes pursuant to said Cooperation Agreements for fiscal years subsequent to September 30, 1981 will be made promptly when due in the amounts determined as prescribed in said Cooperation Agreements and further will make its records available to the Controller of City, or the Controller's representative, as may be deemed necessary by said Controller from time to time to assure compliance with the requirements of said Cooperation Agreements with respect to said Payments in Lieu of Taxes, and will make all Payments in Lieu of Taxes in accordance with the provisions of the various Cooperation Agreements for all fiscal years of Housing Authority commencing October 1, 1981, when and as each such Payment becomes due and payable and in any event within thirty (30) days after the close of each fiscal year and, in consideration of Housing Authority's fulfillment of the obligations to be performed on its part, City will forebear from instituting an action at law against Housing Authority to recover the amounts of Payments in Lieu of Taxes which City contends are past due and delinquent and owing to City pursuant to said various Cooperation Agreements, all as more particularly recited and stated in that proposed written agreement, a copy of which is on file with the Clerk of the Board of Supervisors under File No. 49-82-1; now, therefore, be it

RESOLVED, That the said proposed written agreement is hereby approved and the Mayor and the Clerk of the Board are hereby authorized and requested to execute and attest the same respectively and to insert therein the date of agreement; and, be it

FURTHER RESOLVED, That the Housing Authority of the City and County is requested to execute and attest the same; and be it

FURTHER RESOLVED, That the Controller is urged to notify the Mayor and each member of the Board of Supervisors if the San Francisco Housing Authority fails to make future annual payment in lieu of taxes due.
